Re: Letter of Recommendation for Nacia Dahl, Sunbelt Business Brokers

I am pleased to recommend Nacia Dahl of Sunbelt Business Brokers. Her professionalism, attention to detail and knowledge helped me make the right decision to purchase this business. Nacia considered my experience, skills and knowledge in showing me listings. While working with her, I felt I was treated fairly and was given the latest listing information that fit my purchasing requirements. Nacia is an excellent Broker, helping me to feel very comfortable and confident about making one of the biggest decisions of my life. I enjoyed working with her.

When the time comes to sell my business, I will not hesitate to call her. The Sunbelt process keeps a business sale confidential and I trust Nacia to make that happen. If you are thinking of Selling or Buying a business, I highly recommend Nacia.

Sincerely,

Dave Johnson
