RE: Letter of Recommendation

Dear Mike:

Please accept this letter as my sincere thank you to yourself, Nacia, and the entire Sunbelt organization for the recent sale of our business. Please use this letter and myself as personal recommendations.

You made the sale extremely easy, very profitable, fast, and we had a lot of fun.

I feel strongly that you got us a premium price using the negotiating power of the 6 interested parties you brought us and your personal help and knowledge throughout the Purchase process. And it all happened within 3 Months!

Again, you did a great job for us. See you on the golf course.

Sincerely

Ken Lunde
President
