**Dear Mike,**

**I would like to thank you, Nacia and Ray for the great job you did in marketing and selling our business. I was impressed with your honesty, professionalism, and humor which created a relaxed and straightforward relationship.**

**Your team certainly knew what they were doing and got the results you promised. You maximized my return on investment and I hope we were a model client.**

**Thanks again Mike and let's play some golf this summer!**

**Regards,**

**Pat Borer  
President**
